

2020/21 學年如何支援非華語學生學習中文及建構共融校園

本校為非華語學生提供全面的支援措施，例如舉辦課文中文學習小組，由中文教學助理為非華語學生進行課後補習，教導學生基本的中文語法、文言文閱讀知識及課業答題技巧，以提升非華語學生的中文能力。

另外，公益少年團組織不同的活動以提升校內學生共融的精神，例如舉辦「認識少數族裔」工作坊，讓學生認識少數族裔人士的文化及習慣，並安排少數族裔學童到本校參觀及進行文化交流活動，讓本校學生接觸不同少數族裔人士，達至彼此和諧共融。

2020/21 Support given to non-Chinese speaking students for learning Chinese and building of an inclusive campus

We have taken comprehensive measures to help non-Chinese speaking students at Wing Kwong College to increase their Chinese proficiency. For example, they are tutored in basic Chinese grammar, knowledge about Classical Chinese and homework and study skills by our Chinese Teaching Assistant after school.

In addition, our school's Community Youth Club has organised a range of activities to raise students' awareness of ethnic minorities in Hong Kong. For instance, workshops on 'Ice-breaking with ethnic minorities' allow students to get to know more about the ethnic minority groups and their lifestyles. With a view to building an inclusive school culture, ethnic minority groups are also invited to visit our school and exchange with our students culturally.
